Subject: Difference in Data reported on MPR and MIS in FY 2010-11

Sir/Madam,

Kindly refer to the minutes of MIS nodal officers meeting held on 20th Sep, 2011 in which States had requested to open the MIS entry for FY 2010-11 so that the backlog could be cleared and there is no difference in MPR and MIS figures. It was also decided that data entry for 2010-11 will be closed once States have completed entry of the backlog data.

2. MoRD had accordingly opened the MIS data entry for FY 2010-11. However it is seen that even now, data entry for FY 2010-11 has not been completed by some States. Enclosed with this letter is a table that shows the expenditure as shown in the MPR & the total amount of expenditure entered in the MIS. It would be seen that in a number of States, instead of clearing backlog of entries in respect of expenditure, the entries made earlier have been deleted, thereby widening the gap between MPR and MIS.

3. States are once again requested to analyse the figures and give reasons for the discrepancy. States are also requested to ensure that all data entry work pertaining to FY 2010-11 is completed by 10th Nov, 2010, after which no further entries would be permitted.

Yours sincerely,

(D. K. Jain)

Joint Secretary
