

No. M-12014/1/2006-NREGA
Government of India
Ministry of Rural Development

Krishi Bhavan, New Delhi
13th February, 2008

CIRCULAR

Sub: Entry of details of fund transfer from the Ministry, States and Districts on NREGA website (<http://nrega.nic.in>).

A comprehensive fund management system has been developed for NREGA which captures the transfer of fund from MoRD/ States to Districts and then from Districts to Blocks and Panchayats. The online version of NREGSSoft captures transfer of fund from MoRD to the Panchayats but the offline version can capture from block to the Panchayats since it is running at block level. To fill this gap it is required that fund transfer from the Ministry, States and Districts may be entered online. The information can be filled up on <http://nrega.nic.in> by going to the data entry option. The password for entering the information is same as that given for filling the Monthly progress report for NREGA.
