To
Principal Secretary / Secretary
All States/ UTs

Sir/ Madam,

Kindly refer to the letter No. K-11011/2/2008-NREGA-MonTS (FTS-13017) dated 20th Oct, 2011 and MIS nodal officers meeting held on 26th Nov, 2011 in which States were requested to take necessary action to fully operationalize MIS on all modules of NREGASoft.

2. You may be aware that all release of funds have already been linked to the progress reported on MIS (NREGASoft) only. In addition to this comparative analysis of state's labour budget (LB) for FY (2011-12) vis-à-vis data reported on MIS for the same FY will be done in order to arrive at a realistic LB for the next financial year (2012-13). All States must expedite the entry of GP wise LB for FY 2012-13.
3. Time and again MoRD has been emphasizing on the reconciliation of the closing and opening balances for the FY 11-12. All states must give this a top priority so that MoRD has correct figures of OBs for the next financial year i.e. 2012-13.
4. Data reported on the MIS reveals that the pace of completion of work is very slow. In this regard state may analyze and expedite the entry of works and close them. In case if any assistance is required from the MoRD kindly let us know.
5. Your are once again requested to review the above issues at your level and take necessary steps.

Yours sincerely,

(D. K. Jain)

Joint Secretary
