### 3. a) Issues in release:

- Out of 16 districts, matching state share not released in 11 districts
- ATR on audit observations is awaited from 3 districts namely Upper Subansiri, East Siang and West Siang.
- Pending corrective and expeditious actions on institutional issues and submission of all clarifications/information sought by MoRD from time to

time, funds were released to meet the requirements of all GPs for initial two months of 2012-13.

#### **4. Other Structural issues**

- The State needs to take adequate and urgent action on almost all the implementation parameters viz. MIS data entry, Social Audit, timely wage payment, staff strength and their capacity etc.
