However, State will share their strategy for achieving the above targets with the Ministry within a week. By 19.03.2016, NIC – DRD will make an enabling provision in NREGASoft for enabling the States to upload their specific district-wise targets. State should upload the district-wise targets in NREGASoft by 31.03.2016. This is an essential pre-condition for next release.
ii. **Completion of Incomplete Works:** Since inception till 31.03.2015, the percentage of works completed is 83.43%. During FY 2015-16 (as on 07.03.2016), the percentage of works completed is 9.47%. It is advised that all works taken up till 31.03.2015 should be completed and this Ministry's letter dated 09.03.2016 may be referred to in this regard. The State will examine the reasons for poor rate of completion of works. The State will make efforts for completing all incomplete works (3.61 lakhs ) as on **31.03.2015** by **15.06.2016** without fail.

iii. **Public Works relating to Natural Resource Management (NRM):** Out of total works, 1.51 lakh number of works (13 % of total works) have been taken up as Public Works relating to NRM (Category A of Para 4 (1) of Schedule 1 of the Act) in FY 2015-16. The State needs to scale up the works related to NRM during the FY 2016-17. The State should ensure converging MGNREGA with Pradhan Mantri Krishi Sinchayee Yojana (PMKSY).

iv. **Creation of Individual Assets:** In order to strengthen the livelihood resource base of the rural poor, it is desirable to put adequate emphasis on creation of more and more individual assets (Category B of Para 4(1) of Schedule 1 of the Act). An analysis of the performance of the number of individual assets being created reveal that, out of the total works, 5.95 lakh number of works (51% of the total works) have been taken up on individual land in FY 2015-16 (as on 13.03.2016). The State is expected to take up more works under individual category and get them completed on time.

v. **Progress of integration and synchronization with the planning process of Gram Panchayat Development Plan.**

vi. **Training of Technical Personnel:** State should complete the training of officials as part of District Technical Resource Teams (52) and Block Technical Resource Teams (3750) on SAMARTHYA Technical Training Manual (MGNREGA) latest by 30th June 2016.

vii. **Deployment of Senior Technical Personnel at State/District level:** State should ensure that Senior Technical Personnel are deployed at State/ District level to guide and monitor the technical personnel at the field level.
viii. **Integration of planning with SHG network.**

ix. **Expediting Aadhaar Seeding Process:** As of now, there are 56.28 lakh active workers, out of which 43.18 lakh (77%) have been seeded in MIS. Against the Aadhaar numbers seeded in MIS, 2.61 lakh have been converted to Aadhaar Based Payment System (ABPS). To expedite the process of Aadhaar enrolment of MGNREGA workers and seeding the same into their Bank accounts, camps may be organised at Block and GP level as advised vide letter dated 23rd February, 2016 jointly issued by Department of Financial Services and Department of Rural Development. A copy of the said letter was handed over to the State during the meeting. The State needs to expedite pace of seeding of Aadhaar data into the NREGASoft.

x. **Training of Barefoot Technicians:** The State will nominate 60 BFT trainers in the first week of April, 2016 for the BFT training to be held at NIRD&PR, Hyderabad. On completion the training, State will in the first phase, train 450 BFTs and this may be extended to 4000 BFTs in FY 2016-17. The State is undertaking a variation of the suggested model by training newly recruited GRSs as BFT. The State may be allowed to continue with the same.

xi. **Skilling the unskilled MGNREGA workers:** The State needs to implement Project LIFE, under MGNREGA, in a mission mode to achieve the targets finalized in consultation with the States and duly communicated to them. State is yet to start especially the Skilling for Wage Component training at the earliest. The target/ spillover of FY 15-16 will be added to the target of FY 16-17. The combined target for the three components is skilling 8929 youths in FY 2016-17 (Skilling for Wages-3245, Skilling for Self Employment- 3177 and Livelihood Upgradation-2507).

xii. **Implementation of Social Audit Action Plan:** Conducting of Social Audit as laid down in the Audit of Scheme Rules 2011 is mandatory for the State to be eligible for release of funds for 2016-17. The State is expected to take the following steps before 30.06.2016:

xvi. Annual Master Circular: Annual Master Circular needs to be translated and disseminated to the field latest by 15.04.2016.

xvii. Photo Gallery of Sustainable Assets: The Ministry is launching an online photo gallery of sustainable assets. An online module for uploading photos will be developed by NIC and shared with the States soon. States are requested to start collecting photographs of sustainable assets with details like work code, type of work, category of work, year of construction, GP, Block, District etc. Separate communication will be sent from the Ministry regarding this. Your State may collect and upload 600 photographs of different sustainable assets.

xviii. Online Compendium of Success Stories/Good Practices: The Ministry is also launching an online compendium of success stories. Each State has to identify 25 success stories or good practices, and upload in an online module which will be made available in the MGNREGA website soon. Separate communication will be sent from the Ministry regarding this.
3. The Empowered Committee agreed to the Labour Budget of 607.26 lakh persondays (PDs) for FY 2016-17 for the State of Karnataka. The State may always come up with a proposal for the revision of Labour Budget after September, 2016, if the actual performance exceeds the agreed to Labour Budget.

4. **Under no circumstances, the State will cross the approved Labour Budget for 2016-17 without the prior approval of the Ministry.**

5. The State Government should furnish month-wise and District-wise Person days projection as per agreed to LB to the Ministry latest by 31st March 2016. While doing so the need for the programme in the backward areas will be kept in mind. The uploading of this information in the MIS is an essential pre-condition for the release of funds in FY 2016-17.

6. **Issues pertaining to Livelihood and Convergence:** Efforts should be made to improve the livelihood resource base of the poor by appropriately converging MGNREGA with other RD programmes.
