To,
Principal Secretary/Secretary,
Department of Rural Development,
States of Bihar, J&K, Odisha and West Bengal

Sub: Expediting AADHAAR Seeding and ABP

Sir/Madam,

Direct Benefit Transfer is one of the top priorities of the government. AADHAAR seeding into the accounts of the Active workers in MGNREGA is one of the pre-requisites for the same. The figures in the table below for Bihar, J&K, Odisha and West Bengal are below the national average for seeding on NregaSoft.

Further to this is the figure for the percentage of workers converted into AADHAAR Based Payment.

*Figures from MIS-21st Oct 16

S No.	State Name	Active workers	Aadhaar Seeded	% of Aadhaar Seeding	Total Number of Workers Converted	% of Total Number of Workers Converted
					into Aadhaar Based Payment	into Aadhaar Based Payment
1	<u>BIHAR</u>	4464605	1314712	29.45	113115	8.6
2	<u>JAMMU AND KASHMIR</u>	1422694	174161	12.24	0	0
3	<u>ODISHA</u>	4932611	3160590	64.08	611155	19.34
4	<u>WEST BENGAL</u>	14206032	9369056	65.95	2747162	29.32

It is expected from States to analyse the reports and take appropriate measures to expedite Aadhaar Seeding and Aadhaar Based Payment. The Ministry assures all support in this regard.

Yours faithfully
