Subject: Launching Event for Capacity Building of STRT: **SAKSHAM**

Madam/Sir,

You may kindly recall that the Ministry had facilitated a Training Need Assessment Workshop for assessing the capacity building opportunities with reference to the Mission Water Conservation. In continuation of that, the Ministry is rolling out the training programmes to build capacity of the State Technical Resource Team (STRTs) for implementation of **Mission Water Conservation Framework**.

It has been decided to organize an event to mark the rolling out of "**Saksham: Capacity Building Programme**" on 19th, June, 2017 at Vigyan Bhavan, New Delhi. **Honorable Minister (Rural Development), Government of India**, will grace the event. Schedule and further details regarding the event will be shared shortly. All the members of State Technical Resource Teams (STRTs) are required to be part of the event. States are requested to confirm the participation of STRTs in the event.

States, which have not yet reconstituted STRTs as per even number letter dated April 26, 2017, are requested to reconstitute the STRT and communicate the details of the members in the desired format at the earliest.
