The Additional Chief Secretary/Principal Secretary/Secretary/Commissioner
Rural Development Department/Panchayati Raj Department (In charge MGNREGA)
All States/UTs

Madam/Sir,

Sub section 6 of section 14 of the MGNREG Act 2005, directs that the District Programme Coordinator (DPC) under MGNREGA shall prepare, in the month of December every year, a Labour Budget (LB) for the next financial year containing the details of the anticipated demand for unskilled manual work in the district and the plan for identification for need based works and engagement of workers in the works covered under the program. Chapter 6 of the Annual Master Circular 2018-19 reiterates and details the procedure to be followed for the planning of works and preparation of LB.

2. The States/UTs are required to take up a time bound participatory planning exercise followed with other relevant activities to ensure timely preparation of a realistic Labour Budget that may be pragmatically considered by the Empowered Committee of the Ministry as per the following suggested timeline viz.

3.3 It is reiterated that the States/ UTs have time **till 30th November** for finalization of Labour Budget of Gram Panchayats. States that have already completed the pre planning exercise may finalize the Labour Budget on this day. In fact, to facilitate evidence based scientific NRM planning process the recommended work plan on Watersheds/ Command Area approach as approved in the District Irrigation Plan can be discussed on 11th October for community validation and vetting.
4. Important activities for aspects of planning

4.1 Gram Sabha/ Ward Sabha: The District Programme Coordinator should ensure strict adherence to the principle of bottom-up approach from the stage of planning to approval of the selected shelf of projects by each Gram Sabha/Ward Sabha in the district. The State Government is also required to furnish a certificate to the effect that the provisions made in the Mahatma Gandhi NREGA for preparation of Labour Budget have been considered and a bottom-up approach has been adhered to in the preparation of LB. The annual planning exercise for Mahatma Gandhi NREGA will be part of the Convergent Planning Exercise for the Ministry. Technical inputs for planning shall be drawn from the technical resources available in the district under MGNREGS, CSO partners and other line department agencies.

4.2 Thrust on planning for works related to Natural Resource Management (NRM), agriculture and allied activities and livelihood related works on individual’s land leading to sustainable livelihoods: The DPC will facilitate and ensure that NRM related works under Mahatma Gandhi NREGA are taken up in convergence with Pradhan Mantri Krishi Sinchayee Yojana (PMKSY), Integrated Watershed Management Programme (IWMP) and Command Area and Water Management (CAD&WM) schemes for better outcomes of the water conservation and water harvesting measures. For planning for NRM works, the technical inputs will be drawn from the joint pool of technical personnel of IWMP in Watershed Cell cum Data Centre (WCDC), Mahatma Gandhi NREGA unit, Water Resource Department and the Agriculture Department. The technical inputs relating to Excavation, Renovation & Modernisation (ERM)/ water bodies may also be sought from Regional Office of Central Ground Water Commission (CWC).

4.3 District Irrigation Plan: The recommended work plan on Watersheds/ Command Area approach as approved in the District Irrigation Plan should be sent to all the concerned Gram Panchayats for community validation and vetting. The final DPR, reflecting all community suggestions will then be recommended by all Gram Sabhas of Gram Panchayats involved in the Watershed/ Command Area. The DPC/Collector will further ensure that the NRM component of Labour Budget of MGNREGS is integrated into the District Irrigation Plan (DIP). The DPC/ Controller will also ensure that the planning for works is such that at least 65% of expenditure under MGNREGS is on NRM works in FY 2017-18, in the identified 2129 Blocks under Mission Water Conservation (MWC) rural Blocks of the country.

4.4 Wage - Material ratio: For all the works planned to be implemented by the Gram Panchayats and other Implementing Agencies, the 60:40 ratio in wage and labour must be maintained at the district level. District Programme Coordinator/ Collector should ensure that at least 60% of the works taken up at the district level, in terms of cost, shall be for creation of productive assets directly linked to agriculture and allied activities through development of land, water and trees.

4.5 Role of SHGs, CFTs and CBOs: The Self Help Groups (SHGs) under DAY- NRLM will be closely involved in the planning especially in case of implementation of watershed projects under Mahatma Gandhi NREGS. Cluster Facilitation Teams of the MGNREGS and intensive Block cluster of DAY-NRLM should be actively involved in the planning process, including in 2129 Blocks identified under Mission Water Conservation. The process of creating a community organization at the watershed level will also commence simultaneously so that a community led planning and implementation structure is in place well before financial resources are committed for the project.
4.6 Pro-actively reaching out to landless and manual casual labour household for covering them under MGNREGA: The ongoing effort to ensure that households that are listed as automatically included or deprived as per the SECC (especially households under the deprived category of landless dependent on manual casual labour for livelihood) are issued Job Cards on priority needs to be emphasized during planning and household visits period.

4.7 Proceedings of each Gram Sabha/Ward Sabha in which the respective LB and shelf of projects for the GP has been approved, must be uploaded as an attachment to the respective LB in MIS. The labour Budget should comprise a month-wise anticipated quantum of demand for work and a plan that outlines the quantum and schedule of works to be provided to those who demand work. While preparing LB, it should be ensured that all columns and rows are duly filled in, especially, month-wise projection of Labour Demand during FY 2019-2020. It also needs to be ensured that units [volume/length/area etc.] in respect of works & numbers in cases of persondays, costs, etc. are filled in correctly. To assess adequate and advance budget requirements for the MGNREGA and smooth and timely release of Central share of funds to your State/UT, GP-wise online entries should be completed for all the districts of your state. The data should be uploaded in the MIS latest by 10th February, 2019.

4.8 The proforma for preparation of LB in which it is to be submitted to the Ministry of Rural Development is annexed as Annexure. The proforma may be used by Gram Panchayats, Blocks and Districts also to present their Labour Budget before reviewing authority.

5. It is, therefore, requested that the Labour Budget for FY 2019-2020 should be prepared in consonance with the requirement of the Act and it should be reviewed at all levels of scrutiny viz. Block, District and State level to arrive at a realistic assessment and should be submitted, both online as well as in suggested booklet format by 15th February, 2019. The meeting of the Empowered Committee is likely to be scheduled in 3rd week of February, 2019.

Yours faithfully,

(A.K. Sumbly)
Deputy Secretary (MGNREGA)
