

DO No. S-17011/1/2021-SBM-II-DDWS-Part(1)

Dated 30.08.2022

Dear Chief Secretaries,  
All States/UTs

Currently the drinking water and sanitation assets constructed under the 15<sup>th</sup> Finance Commission, MGNREGS and Swachh Bharat Mission-Grameen (SBMG) are being separately captured through the three portals of the Ministry of Panchayati Raj, Ministry of Rural Development and Department of Drinking Water & Sanitation respectively.

2. In order to remove any duplication of efforts and data reporting while capturing the assets created (a) through the respective Ministry/Department schemes and (b) through the convergence model, it is pertinent that such assets are captured on a single platform and duplicate entries are avoided.
3. In this regard, following guidelines regarding reporting of assets including community/household level assets may be adhered to:

Scenario	Online reporting portal
Assets created through convergence with MGNREGS as one of the funding sources	MGNREGS online portal
Assets created through convergence with 15 <sup>th</sup> FC as one of the funding sources excluding MGNREGS	eGramSwaraj portal
Assets created through convergence with SBM-G as one of the funding sources excluding MGNREGS and 15 <sup>th</sup> FC	SBM-G IMIS
Assets created exclusively with only SBM-G funds	SBM-G IMIS
Assets created exclusively with only MGNREGS funds	MGNREGS online portal
Assets created exclusively with only 15 <sup>th</sup> FC funds	eGramSwaraj portal

4. All the States/UTs are requested that the aforementioned guidelines may be brought to the notice of all the concerned authorities/officials at the Block and District levels handling the three different schemes. Appropriate directions may also be issued for taking necessary action to adhere with these guidelines from **1<sup>st</sup> September 2022** onwards.

With best regards,

30/8/22

(Sunil Kumar)  
Secretary  
Ministry of Panchayati Raj
