OFFICE MEMORANDUM

Subject: Roadmap for Inter – Departmental Convergence between MGNREGA with Other Schemes of Line Departments for the year 2014-2015 in the UT of Andaman & Nicobar Islands.

1. BACKGROUND FOR CONVERGENCE

1.1 Ministry of Rural Development, Government of India issued various instructions relating to convergence of MGNREGA with other schemes for strengthening and improving the rural economy, rural livelihood and also to address the problems and issues of the rural poor in the implementation of MGNREGA and other schemes. The Ministry of Rural Development has introduced convergence programmes to address effectively the issue of rural poverty alleviation through MGNREGA and to foster inter-departmental convergence programmes.

1.2 In consonance with the instructions issued by Ministry of Rural Development, Government of India, a State Level Convergence Workshop was held in Andaman & Nicobar Islands on 20th February 2014 with Line Departments under the guidance of resource persons from the MoRD. Consequent upon the convergence workshop held in Andaman & Nicobar Islands, a series of correspondence and a meeting/consultation(s) were held between the proposed converging departments with MGNREGA for the financial year 2014-2015. Subsequently, the Rural Development Department in consultation with the converging Line Departments has selected the following projects for convergence for the year 2014-2015:

- i) Horticulture Plantation/ Avenue Plantation/ Roadside plantation, Providing field Bund and drainage & Saline reclamation work, Coconut Plantation Project and Construction of Azolla Pits through Agriculture and CARI Department,
- ii) Development of Grazing Land for fodder plantation & Multiple plantation such as horticulture and Minor Forest Products jointly by the Agriculture, Forest and Animal Husbandry & Veterinary Services Departments,
- iii) Construction and Renovation of pond by the Fisheries Department,
- iv) Eco-friendly beach development plan, Construction of Wooden Bridge and Land Development and Forest Plantation such as Raising of Mangrove/ Cane/Bamboo by Forest Department,
- v) Construction of Anganwadies by Social Welfare Department, and

- vi) Development of playfield by the Integrated Tribal Development Project (ITDP) & Panchayat Yuva Khel Krida Abhiyan (PYKKA)

2. EXECUTIVE SUMMARY

2.1 This is the Roadmap for the Convergence of MGNREGA with other schemes of Line Departments in Andaman & Nicobar Islands. It is a vision document, which charts future path of selected convergence agenda for the implementation of MGNREGA. The Roadmap visions a proper inter – departmental participation and sets out strategy to accomplish the vision. This strategy includes activities to be undertaken at the State level as well as at the District and Block level, assignment of specific responsibilities at various levels alongwith targeted deliverables/timeframe to achieve the goal.

2.2 Government of India has already emphasized the importance of convergence under MGNREGA as numerous numbers of projects had been taken up under MGNREGA without any tangible results. Due to this, 2014-2015 has been declared as the year of convergence by Ministry of Rural Development. It was seen that during the last eight years, amount of money released to States by the Central Government do not commensurate the quantum of assets created by the States.

2.3 Government of India, Ministry of Rural Development has earmarked 6.18 Lakhs persondays for Andaman & Nicobar Islands for the year 2014-2015. The following is the total number of Job Card holders likely to demand job, projected persondays and projected expenditure in Andaman & Nicobar Islands as per Approval Labour Budget 2014-2015.

Sl. No.	District	Projected no of household likely to demand Job	Projected persondays to be generated for FY 2014-2015	Amount projected for expenditure for 2014-2015 (wage and skilled & semi-skilled – Rs in lakhs)
1	South Andaman	6945	98880	365.86
2	N&M Andaman	18591	426420	1609.11
3	Nicobar	4407	92700	362.71
	TOTAL	29943	618000	2337.68 lakhs

3. IDENTIFICATION OF NODAL OFFICERS

At State Level, the Secretary (RD/PRIs), Directorate of RD,PRIs&ULBs shall be the State Nodal Officer for Convergence of MGNREGA with other Schemes.

At District Level, the District Programme Coordinator (DPC), MGNREGA shall be the District Nodal Officer for Convergence of MGNREGA with other Schemes.

At Block Level, the DPC may depute the Sr. Programme Officers/ Block Development Officer to coordinate the convergence programme at Block level.

4. COORDINATION COMMITTEES

4.1 A State Coordination Committee has been set up for Convergence of MGNREGA with Secretary (RD/PRI) of Rural Development Department, A&N Administration as Chairman and all Directors of the converging Departments as Members.

4.2 At the District level, District Programme Coordinator, MGNREGA as Chairman, District Programme Officer, MGNREGA, Sr. Programme Officers (BDOs), Programme Officers and the District Officers of various converging departments as Members.

4.3 Block Coordination Committee consists of the Sr. Programme Officers/ Block Development Officer as Chairman and Block Programme Officer (MGNREGA), Officers of the line departments and the Pradhan concerned where convergence is taking place as Members.

5. NON NEGOTIABLES IN WORK EXECUTION

5.1 Only job cardholders will be employed for the unskilled part of work. It is necessary that the beneficiary is also a job card holder and work on muster as unskilled labour.

5.2 Muster Rolls will be maintained on the worksite by the implementing agency concerned with copies to the Gram Panchayat.

5.3 Wage payments will be done only through banks/post office accounts unless exempted by Ministry of Rural Development.

5.4 No contractor and labour displacement machine will be deployed for raising any work.

5.5 Record of employment generated under convergence will be maintained separately.

5.6 The individual household beneficiary engaged under the work shall be a household eligible under MGNREGA for work on private land/homestead.

5.7 Every work will be treated as a MGNREGA project for the purpose of:

- i. Giving a unique work ID
- ii. Entry in Works and Asset register
- iii. Social Audit by Gram Sabha
- iv. Evaluation by Vigilance and Monitoring Committee

5.8 Each GP will maintain a complete list of all works with member beneficiaries with their Job Card number and activities to be carried out under MGNREGA or otherwise. In the asset register, the breakup of the assistance/subsidy utilized from Line Departments, beneficiary's own contribution and the expenditure from MGNREGA will be shown separately.

6. MODES OF CONVERGENCE OF MGNREGA WITH SELECTED SCHEMES

6.1 Various Guidelines for Convergence of MGNREGA and other Schemes have been issued and circulated by the Ministry of Rural Development, Government of India. However, for the initial years, the following area of convergence will be taken up under MGNREGA for the year 2014-2015:

6.2 Since there are areas of concern or duties of each converging departments while linking the MGNREGA, the activities of each converging department can also be different. The following is the illustrative inter – sectoral activities for MGNREGA and Line Departments for the convergence mode. 8. PROCESS OF CONVERGENCE

The implementation process of MGNREGA is a bottom up, demand driven programme where Annual Work Plan or Shelf of Project are initiated at the grassroot level through assembly of villagers (Gram Sabha), the programmes and schemes under the converging departments are based on technical guidance and allocation made through each department. Therefore, the process of convergence can be taken place with the following activities and responsibilities

Activity	MGNREGA	Line Department	Outcome
Preparation of Shelf of Project	Gram Sabha to select list of works on priority basis	Technical support and identification of beneficiaries under convergence	Both MGNREGA and line departments to follow Shelf of Project made by Gram Sabha
Assigning the quantum of physical target	Bottom up with Gram Sabha deciding the quantum	Top down. Districts based and cluster based	Proper coordination of MGNREGA and line department
Identification of beneficiaries	Bottom up. Gram Sabha to select. Line Department to make suggestive list	Line departments to submit suggestive list of beneficiaries and forward to MGNREGA	Inter-linkage between MGNREGA and line departments
Synchronization of activities	Labour demand by job card holders	Line department to follow seasonality of work based on scientific method	Planning in advance to ensure that the activities of the MGNREGA and line departments are synchronized and the timing of labour demand matches with the seasonality of the work

9. ESTIMATION OF COSTING OF PROJECT

Estimates will be jointly prepared by the DPC, MGNREGA and concerned converging line department(s) following the national and state level norms, duly delineating the activities to be taken up along with the calendar of works. For wage

component, piece rate basis should also be provided to ensure optimum work output of the wage seekers.

11. COORDINATION

11.1 Planning: The location of the project at the Village level will be identified jointly by the concerned district level officers of the MGNREGA and line departments. The joint estimate shall be used for estimating the cost of the project, while the beneficiaries shall be identified in the Labour Budget at the Gram Sabha level.

11.2 Sanction: Under MGNREGA, the technical sanction of the convergence scheme will be accorded by the DPC at the district level. The financial sanction shall be accorded by the DPC.

11.3 Implementation: The work commencement order needs to be signed by the Programme Officer after obtaining approval from the DPC and the Line Departments. Work Completion Certificate shall be signed jointly by the Programme Officer and the district officers of the Line Departments. Photographs of Before, During and After need to be maintained and recorded which will be uploaded in the NREGASoft, if any.

11.4 Meetings: Coordination meetings will be regularly held at the District and Block levels between the concerned officials of the MGNREGA and the Line Departments to address the problems and sort out issues arising out of convergence.

14. MONITORING AND EVALUATION

Monitoring and Evaluation of the outcomes shall be carried out by the district and head of the respective departments both individually and jointly as well. Monitoring reports shall be shared by the Rural Development Department and Line Departments. Rural Development Department and Line Departments will evaluate the outcome of this convergence initiative and mutually decide on further extending

this convergence framework, suspending it for some time or even terminating it after giving an advance three months notice.

15. TRANSPARENCY SAFEGUARDS

Considering that the MGNREGA and other line departments are working in the same area by dove-tailing their components, it is imperative that duplication of the activities or double payment or double billing be avoided. Rural Development Department and Line Departments need to ensure that the following transparency safeguards are strictly adhered to.

15.1 For every project, a unique work ID will be generated by the NREGASoft which needs to be referred to in all the administrative and financial records of Rural Development Department and Line Departments.

15.2 The Joint Estimate needs to clearly delineate the activities of the Rural Development Department and Line Departments in component wise, and the funds need to be strictly utilized for the earmarked activities to prevent duplication.

15.3 Joint Project Information Board will be set up at the worksite which will be funded under MGNREGA and will indicate the investments of Rural Development Department and Line Departments clearly.

16. SOCIAL AUDIT

Social Audit shall also be conducted mandatorily for the works undertaken under convergence along with the other works taken up by the respective Gram Panchayats of this UT. All the relevant documents/information of the works taken up under convergence shall be disclosed in the social audit meeting/Gram Sabha for public verification/scrutiny. The officials of the MGNREGA and Line Departments shall invariably be present in the social audit.

17. OTHER ISSUES

Rural Development Department and Line Departments shall adhere to the instruction issued by the Ministry of Rural Development, Government of India and the instruction of the UT Administration from time to time.

This issue has the approval of the competent authority.
